

### Training Knowledge

Q: Using data  and  predict trend with explanation.  
A: Trend  and Explanation 

Q: Using data  and  predict trend with explanation.  
A: Trend  and Explanation 

Fine-tune

### Prompts

#### Single-Agent System

Q: Using data  and ,  
predict trend with explanation.

Predict

("Rise", )

Trend: Rise Explanation: ...

#### Ensemble Single-Agent System

Q: Using data , predict trend with explanation.  
A: Trend  and Explanation 

Fine-tune

Q: Using data , predict trend with explanation.

Predict

("Rise", )

Trend: Fall Explanation: ...

:

Q: Using data , predict trend with explanation.

Predict

("Rise", )

Trend: Rise Explanation: ...

Average → ("Rise", )

#### Multi-Agent System

Q: Using data , predict trend with explanation.  
A: Trend  and Explanation 

Fine-tune

Q: Using data , predict trend with explanation.

Predict

("Rise", )

Trend: Fall Explanation: ...

...
